Forty Tulsaans have already registered for the trip and indications are that this number will be increased to 200 at the closing of registrations October 3, according to E. E. Carter, of the Carter post transportation committee. Post officers also registered for the trip, including Post Commander Alva J. Niles, Vice Commander E. H. Oklahomans, who will be about three thousand strong, will be decked with Indian feather head-gear. The Tulsa train will be "parked" throughout the convention in the Illinois Central terminal station, said to be the finest terminal in the country and adjacent to the business section. Tulsaans will use their Pullman as sleeping quarters.

A one-way fare for the round trip will be allowed legion and auxiliary members. The round trip fare will be \$27.69, drawing room \$27.25 each, lower berth \$22.25 and upper berth \$16.75 for the round trip. Berths may have two occupants, halving the fare and surcharge tax of \$2.77.

Even a sick child loves the "fruity" taste of "California Fig Syrup." If the little tongue is coated, or if your child is listless, cross, feverish, full of cold, or has colic, a teaspoonful will never fail to open the bowels. In a few hours you can see for yourself how thoroughly it works all the constipation poison, sour bitters, and salts from the tender, little bowels and gives you a well-preserved child again.

Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful today saves a sick child tomorrow. Ask your druggist for genuine "California Fig Syrup," which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.—Advertisement
